77. From 1990-1992, two consecutive droughts plunged the greater part of the country into an acute famine and escalated the civil war, completely disrupting the already fragile infrastructure in the country. In 1992, a short-duration country programme for the period 1992-1994 was approved by the Executive Board, with an allocation of $7,590,000 in general resources and $49,962,000 in supplementary funds (E/ICEF/1992/P/L.40).

78. In 1993, a United Nations 100-day Action Programme for Accelerated Humanitarian Assistance was launched. The UNICEF emergency budget for 1993 was $50 million, $33 million of which was raised. Another short-duration country programme for the period 1994-1995 was approved by the Executive Board at its second regular session of 1994, with an allocation of $5,200,000 in general resources and $49,962,000 in supplementary funds (E/ICEF/1994/P/L.19). In 1994, the general resources planning level was increased from $2,600,000 to $3,000,000 per year. Thus, an additional amount of $400,000 in general resources for 1995 is being requested to bring the level of general resources the approved amount of $3,000,000 for 1995 in order to continue with humanitarian assistance.

RECOMMENDATIONS FOR FUNDING FOR SHORT-DURATION COUNTRY PROGRAMMES AND FOR ADDITIONAL GENERAL RESOURCES TO FUND APPROVED COUNTRY PROGRAMMES IN THE EASTERN AND SOUTHERN AFRICA REGION*

SUMMARY

The present document contains recommendations for funding from general resources and supplementary funds for country programmes in the Eastern and Southern Africa region with a duration of three years or less that support activities in countries where full-length country programmes are under preparation. It also contains recommendations for additional general resources to fund the approved country programmes in the same region for which the balances of approved general resources are not sufficient to fund the programmes up to the approved programme periods. The Executive Director recommends that the Executive Board approve:

(a) The following amounts from general resources, subject to the availability of funds, and the following amounts in supplementary funds, subject to the availability of specific-purpose contributions, for the country programmes listed below:

Country programme	Amount (United States dollars)		Duration
	General resources	Supplementary funds	
Angola	3 200 000	6 700 000	1996
Sao Tome and Principe	750 000	345 000	1996
Somalia	3 000 000	23 000 000	1996

(b) Additional general resources in the following amount to achieve the objectives of the country programme as originally approved by the Board:

Country/programme	Amount (United States dollars)	Current programme cycle
Somalia	400 000	1994-1995

Summaries of individual recommendations follow.

* In order to meet documentation deadlines, the present document was prepared before aggregate financial data were finalized. Final adjustments, taking into account unspent balances of programme cooperation at the end of 1994, will be contained in the "Summary of 1995 recommendations for general resources and supplementary funding programmes" (E/ICEF/1995/P/L.10 and Add.1).
